Furnace Industries LLC.

EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Furnace Industries (logo) Kronos Ice Tool, consisting of a densified beech laminate shaft with a stainless steel pick at the head and a stainless steel spike at the foot of the handle. An overall length of 485mm.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 13089:2011 (Mountaineering equipment – Ice-tools) for Type 2 Ice-tool fitted with a Type 2 Pick

The manufacturer's information notice (Appendix D of Technical file), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: Furnace Industries
"KRONOS" Tech file

SGS Reference Number GB/PP 234724
